## **Extraordinary auction of T-bills on 24 September 2008**

---

As a result of the turmoil in financial markets, it has been decided to increase the issuance of T-bills and an extraordinary T-bill auction is conducted 24 September. The auction is open to banks with access to the auction system which is similar to the situation at previous T-bill auction.

The maximum issuance at the auction is DKK 25 billion (nominal value) in the existing issue T-bill 2008 II.

Additional auctions may be conducted in the future.

The issue has the following ISIN:

Name ISIN

T-bill 2008 II 98 13115

**The deadline for submission of bids is 11.30 on the day of the auction.**

The sale will be settled on 26 September at the cut-off rate. For bids on the cut-off rate pro-rata allocation may be applied.
