Power of attorney for the submission of withdrawn Danish banknotes under special circumstances, for private individuals

Private individuals

FOR ONE-TIME USE ONLY

I, the principal, authorise the attorney to submit withdrawn Danish banknotes to FOREX for transfer to the principal's bank account. In addition to this power of attorney, the principal must complete a submission form, which the attorney must bring to FOREX.

This power of attorney may be used once only and will be forwarded, together with the submission form, to Danmarks Nationalbank for processing. The funds will be credited to the principal's account within 14 weeks. Where further documentation is required, Danmarks Nationalbank may request it. This may result in a longer processing time.
