GOVERNMENT BONDS

European Green Bonds

TRANSLATION

September 2025

Issue of a new series of government bond – the 2.25 per cent 2035 maturing on 15 November 2035, ISIN: DK0009925182 (the "European Green Bonds") – will commence on 23 September 2025.

1. European Green Bonds

The European Green Bonds are issued in accordance with Regulation (EU) 2023/2631 of the European Parliament and of the Council and the Kingdom of Denmark European Green Bond Factsheet laid down by the Kingdom of Denmark (the "European Green Bond Factsheet"), which can be found on Danmarks Nationalbank's website (www.governmentdebt.dk). The Kingdom of Denmark intends to allocate an amount equal to the proceeds of the issuance of European Green Bonds in accordance with the European Green Bond Factsheet.

2. Interest and Redemption

The European Green Bonds will have a fixed nominal interest rate of 2.25 per cent. The interest will be paid annually in arrears on 15 November. The first coupon will fall due on 15 November 2025. Like all subsequent coupons it covers an interest period of one year, adjustment being made on sale for accrued interest in accordance with the usual practice on the Danish bond market. The European Green Bonds are bullet issues, which will be redeemed at par on 15 November 2035. The European Green Bonds are irredeemable for the Kingdom of Denmark as well as for the holders of the European Green Bonds.

3. Payment

(a) Payment in Full

Payments of interest and principal shall take place in Danish kroner and will be conducted through VP SECURITIES A/S. Such payments by the Kingdom of Denmark shall constitute full discharge of the Kingdom of Denmark's obligations once payment of interest and principal is made to the VP-participants' accounts at Danmarks Nationalbank, which VP SECURITIES A/S has instructed the payment to.

(b) Payments on Business Days

If the due date for payment of interest or principal is not a business day in Copenhagen, payment will take place on the next succeeding business day in Copenhagen. Interest amounts will not be adjusted to reflect any such delay.

4. Issue

The European Green Bonds will be sold at market price by Danmarks Nationalbank on behalf of the Kingdom of Denmark. Information on the issuance procedure for government securities can be found on Danmarks Nationalbank's website (www.governmentdebt.dk).

5. Book-entry

The European Green Bonds will be registered with VP SECURITIES A/S. No physical certificates will be issued. The European Green Bonds will be bearer bonds. There are no limitations to their transferability.

6. Stock-Exchange Listing and Settlement

The European Green Bonds will be listed on NASDAQ Copenhagen. Settlement will take place in accordance with the current Danish market convention, at present two business days from the trading day. A different settlement day may be agreed.

7. Legislative Basis

The European Green Bonds are issued pursuant to Consolidation Act no. 849 of 22 June 2010 as amended on authorisation to float government loans. All legal disputes concerning the European Green Bonds shall be settled according to Danish law, and the courts of Denmark shall have the exclusive jurisdiction in respect of legal proceedings with respect to the European Green Bonds. Venue shall be Copenhagen.

8. Force Majeure

The Kingdom of Denmark shall not be liable for any damage or loss caused by a delay in payment of principal or interest on the European Green Bonds arising from actual or imminent war, insurrection, civil commotion, terrorism, sabotage, natural disasters or failure of power supply, telecommunication or IT systems, including payment, settlement and clearing systems. Nor shall the Kingdom of Denmark be liable for any damage or loss caused by a delay in payment of principal or interest on the European Green Bonds arising from strikes, lockouts, boycotts or blockades, regardless

of whether the Kingdom of Denmark itself is a party to the dispute, and notwithstanding that the dispute may affect only part of the Kingdom of Denmark's functions. Payment of any principal or interest on the European Green Bonds delayed as a result of any of the events specified in this paragraph shall be made to the holders of the European Green Bonds when such event has ceased to be of effect.

9. Change in Terms of Borrowing

The Kingdom of Denmark can decide that issuing, registration, listing or settlement of the European Green Bonds takes place in another way.

10. Limitation

Claims for interest or principal will become void unless presented for payment within 3 or 10 years respectively.

11. Taxation

Interest payments and capital gains are taxed according to the tax legislation in force at any time in the Kingdom of Denmark. Under current Danish law, withholding tax is not deducted from interest payments.
