## Danish 1000-krone banknotes and older banknotes become *invalid*

Danish 1000-krone banknotes and banknotes from older banknote series will become invalid after 31 May 2025. They can be used up until this date to pay in Danish stores as usual or can be deposited into your Danish bank account.

After 31 May 2025, banknotes can only be deposited at Danmarks Nationalbank's three banknote exchange points in Aarhus, Odense and Copenhagen. You can also keep the notes as collectibles.
